The following pieces are in individual envelopes attributed to Hetrich-Gutttag. They were purchased from the World's Largest Collection auctioned in last month's sale. Many lots were purchased in order to acquire one or two pieces, hence this offering of duplicates. The buyer paid from 25c to 50c each, but naturally kept the scarcest items. Most of the store cards in these lots are uncirculated, others in best condition obtainable.

The Coin House

Vol. 1, No. 3  
November, 1949

**Can't say I stomach** the "new deal in ANA convention management" promised in a circular issued by the American Numismatic Association last April 20th soliciting advertisements for the ANA Convention Journal. They promised a "comparatively low Advertising rate" of \$25.00 per page. Arriving in San Francisco for the Convention I found out that the circulation was limited to convention registrations and visitors and anyone who wrote for a copy. Total circulation was **500?-1000?** I compared this "New Deal" with the HONEST DEAL I gave in Boston last year, and it didn't seem to make sense. In Boston we printed and DISTRIBUTED 11,000 Convention Programs at an advertising cost per page of \$30.00. Wonder, HOW COME?

**It seems to me,** that as long as the American Numismatic Association concerns itself so avidly with the Convention Auction, that it is properly a part of A. N. A. membership. Every member therefore, is entitled to and should have received an ANA Convention Journal and Auction Catalog. **DID YOU?** The answer most likely is NO. Only the names on the active list of the convention auctioneer received the catalog. Even a past president of the ANA did not receive a copy. I cannot help but think of what we did at the Boston Convention. We printed and MAILED over 10,500 Convention Programs and Catalogs. Our Post Office receipt can attest to this. In 1948 the ANA Convention Committee approved my contract with the Boston Committee on the circulation of the Catalog. It apparently was not necessary in 1949. Wonder HOW COME?

**I am sure 1950** will be a better year. Three of the new officers have assured me that they will look into, and correct if possible, some of the business that was brought up in the Convention Meetings. Among them were:

1. Reducing the cost of printing THE NUMISMATIST. The printing cost last year was \$31,000.00. The former publishers, J. W. Stowell Printing Co., can and will again print the magazine for

HALF THE COST or less. Incidentally the Stowell Company did not refuse to continue to publish THE NUMISMATIST, but requested they be relieved a month sooner when informed they were losing the account. I hope the new ANA Board of Governors will not again give out a contract of that magnitude without competitive bidding. The Numismatist is now paying TWICE THE COST for a mailing envelope for what we consider an inferior grade.

2. Reduce the necessity of paid travel by ANA officers. Although two resolutions sponsored by the Buffalo-Syracuse and New York-New Jersey Clubs condemning excessive travel were lost on the floor, it is hoped that the new officers will recognize the precarious position of the A. N. A. and act accordingly.
3. Correctly balance ANA books. Transferring from Life Membership Fund and pro-rating one-third the cost of membership directory and library catalog, (both BI-ANNUAL publications) does not appear to be good accounting procedure.

**There were many** other suggestions made by collectors not voiced at the meetings. Among them were write-in space on the yearly ballots and the mailing of ballots to an independent public accounting firm for tabulation.

**To repeat myself**, I am sure 1950 will be a better year for the ANA. We must try to regain the 1726 members who resigned or were suspended during the last fiscal year. I have utmost confidence in our new officers to work for the membership at large.

**The above statements** were submitted to THE NUMISMATIST as a paid advertisement but was turned down due to a ruling against acceptance of controversial material. IF YOU ARE INTERESTED in your Association please write your views to "Doc" Wild of Buffalo, or Brother Pitkin of Rochester or yours truly. You might ask Doc Wild about being told by one of the Board of Governors "that he would never be elected unless he played ball with the boys." P. S. The good Doc was defeated.
